Re: Letter of Recommendation

Gentlemen:

Please be advised that Ajax Paving Industries of Florida has done business with EZ Sweep since their inception a few years ago. EZ Sweep, without fail, has supplied us labor and equipment for our milling clean up on countless projects. These projects range from small private jobs to major F.D.O.T. milling and resurface jobs. All of our customers know when EZ Sweep shows up on one of our projects they will receive professional services that will be above and beyond the customer's expectations.

I have found Mr. Dotts to be honest and straightforward in their dealings with me and would highly recommend them for any project involving cleaning. Further we would be happy to sell them asphalt on any paving projects that they will build.

Should you have any questions please feel free to contact me.

Very Truly Yours,

Scott Pittman, P.E.
Area Manager
